Synopsis

In the great traditions of New Zealand prop forwards, Wyatt Crockett's stellar professional rugby career has been defined by steely determination and quiet achievement. Now, for the first time, the most capped Super Rugby player of all time is ready to tell the story of his remarkable rugby journey. Crockett lifts the lid on the laughs, the lows, the highs and the hilarity of his time at the top of the game. He charts his rise through the ranks of some of the nation's most famous teams and gives us an inside account of the people who shaped him, and the stories that defined him. If you thought props were all grunts and grimaces, prepare to have your perceptions called into question with this rib-tickling read. The man they call 'Croczilla' offers a monster of a story, from the frontline of the game.

What people say about this book

Ebook Tops Reader, "Sporting details. This was a great story about a sporting hero. The story was told in great detail without deleting any parts., warts and all"

David C. Benson, "My favorite Crusader!. Honest recap of the ups and downs you experience in life and on the paddock! Well done man! It's all about that game!"

Rowan Bilton, "Hard yakka this one scotty. Bugger he bled red and black what a comedian and team man and fun to have around"
