Synopsis

In a society mired in godlessness and humanism, parents are given the high calling of raising children who will know the Truth, live the Truth, and take the Truth into the next generations. In *Creation to Babel*, today's Christian family will find a unique commentary on Genesis 1 - 11 to ensure the biblical foundation is established in their children's hearts. Perfect for family devotions and Bible studies, *Creation to Babel* offers parents a powerful combination of apologetics and doctrine. Instills biblical answers to contemporary issues such as gender, gay "marriage," abortion, racism, and others. Provides answers to the most-asked questions people have about these passages with applications to personal living. Helps families put themselves under the authority of the Word, and not over it. Ken Ham, founder and CEO of Answers in Genesis, the Creation Museum and the Ark Encounter, partners with parents to hammer home the importance of understanding God's infinite greatness compared to our human finite understanding. "We must let God's Word speak to us, and not impose our beliefs on God's Word." - Ken Ham

Sort review

About the Author KEN HAM is the founder and CEO of Answers in Genesis (U.S.), the acclaimed Creation Museum, and the popular Ark Encounter with over one million visitors annually. As one of the most in-demand speakers in North America, he has authored dozens of apologetic resources with over three million books sold. Ken's emphasis is on the relevance and authority of the book of Genesis and how compromise on Genesis has opened a dangerous door regarding how the culture and church view biblical authority.--This text refers to the paperback edition.

What people say about this book

R. B. Sander-Cederlof, "Finally a Trustworthy Commentary. Well written, and very nicely printed large easy-to-read print. Adheres to the plain meaning of the Biblical text, and answers all the common objections. Faith building, and also will help me defend the truth when necessary."

M. Wilkerson, "Creation to Babel. This such an interesting book! Thanks, Ken Ham!! The only way to make it better would be to be able to make the print larger! And maybe black background for u solder peeps!! Thanks for your hard work!"

k prophet, "Excellent addition. I very much enjoyed the book. It's very easy to understand and to talk about with your family and friends. Older children can read it and get truth from it about God's word. It's a very good gift to give to that teenager or loved one who doesn't necessarily want to talk but will read this in their own quiet time. Thank you Ken."

S.G.Hardy, "Exelent. Ken Ham always delivers; this is a must for true Bible believers."
