Synopsis

What do you do with a 'gator after you catch it? Elizabeth Choate, from the History Channel's popular "Swamp People," has a few delicious ideas. And if you're not the adventurous type (think nutria, not to mention other types of swamp game of Louisiana), you'll love her takes on venison, duck and Cajun classics like shrimp, jambalaya, crawfish and gumbo, as well as downhome staples like fried pork chops, potato salad and 7-Up cake. With 100 recipes, the Queen has something for all her fans. ELIZABETH CHOATE hunts alligators in "Swamp People," which airs on The History Channel. She lives in Pecan Island, Louisiana.
